## Church & Dwight Initiates Voluntary Recall of Select Vitamins Due to Isolated Manufacturing Issue

**April 20, 2021** – Church & Dwight Canada Corp. initiated a voluntary recall of select vitafusion and L'il Critters products after the Company identified the possible presence of a metallic mesh material in product lots manufactured in a four-day period between October 29 and November 3, 2020. The Company is not aware of any reports of consumer illness or injury. In some severe cases, ingesting a metallic material could lead to damage of the digestive tract.

Church & Dwight is coordinating closely with Health Canada and following all relevant protocols. The recalled vitamin products are listed below with the Universal Product Code (UPC) and Lot Code. No other products are included in this recall.

Consumers who have purchased one of the products listed below should stop consumption immediately. Please call our Consumer Affairs team at **+1 (800) 981-4710** before disposing of the product, and we will provide a full refund. Any additional questions can also be directed to our Consumer Affairs team **Monday through Friday, 9am – 5pm ET.**

### RECALLED PRODUCT LIST

Reference to identify affected products via Universal Product Code (UPC) and Lot Code.
